## ARMY REPORTED TO HAVE ANSWER TO RED CLAIM OF INTERCONTINENTAL MISSILE

## BULLETIN

Washington, (AP)—Russia was reported today to have fired at least four long-range missiles since June and to have tested many more of shorter range over a longer time. Moscow withheld until last week any announcement of its claimed successful test of an intercontinental missile. But bits and pieces of the information had been coming into Washington from intelligence sources since shortly after the test operations started. Apparently the Kremlin's announcement on Monday was timed to make it a contribution to the fierce new Soviet diplomatic offensive against the West. But only the timing was a real surprise here—and presumably in Allied capitals.

## BY LEWIS GULICK

Washington, (AP)—The Army reportedly believes it has a proven answer to Russia's claimed intercontinental missile—an American missile, ready for production, that could hit key Soviet areas from advance bases.

The Army's proposed counterweapon is the Jupiter, an intermediate range ballistic missile which soared 1,500 miles over the Atlantic Wednesday in a test flight from Cape Canaveral, Fla. Secretary of the Army Brucker labeled the Jupiter "a spectacular success."

It is understood that only the Pentagon's secrecy lid on missile developments prevents the Army from saying flatly that the Jupiter could be in production within 30 days.

Brucker said in Florida yesterday that the Soviet announcement last Monday of a successful test of a 5,000-mile missile indicated the Russians were talking of a "research test vehicle." That is a long way, he said, from "an operational vehicle."

There have been no known successful U. S. tests of an intercontinental ballistic missile.

## Confidential Trial Is Resuming After Recess

Washington (AP)—Harold Stassen arrived from London today, and said he would report to President Eisenhower that he believes Russia is still "seriously negotiating" for an East-West disarmament agreement. Stassen, presidential adviser on disarmament, told newsmen on landing at National Airport that "no one should feel that any agreement is just around the corner." But he added that both sides know that modern war would be a bad net loss all around "so they have that common interest between (Turn to Page Ten)

## Atomic Device Is Detonated 750 Feet Over Nevada Desert

Atomic Test Site, Nev. (AP)—Scientists detonated an atomic device 750 feet above the Nevada desert today in what was termed a "pure test" for scientific purposes.

It flashed across the sky at 5:40 a. m. with an orange-pink fireball which lasted for only half a dozen seconds.

The shot was scheduled when unfavorable winds forced postponement of a bigger blast, "Smoky," which is to include elaborate military maneuvers.

No maneuvers were conducted in connection with today's shot-code-named "Franklin Prime"—which was the 14th in the Atomic Energy Commission's current test series. There were 19 experiments connected with it.

It was detonated from a balloon anchored above the AEC's Yucca Flat test center. The AEC said that it was subnormal in power. Nominal is the equivalent to 20,000 tons of TNT—or 20 kilotons.

The flash from the device was clearly seen at Las Vegas, more than 70 miles to the southeast.

## Wife Given Mussolini Body at Its Long-Secret Burial Place

Rome (AP)—The Italian government today turned the body of Benito Mussolini over to his widow at St. Cassiano cemetery in Predappio.

The body was brought in a truck from its long-secret burial place for transfer to the Mussolini family vault at Predappio, the Mussolini birthplace.

Despite the fact the action was taken by the government without prior announcement, a small crowd gathered in the cemetery where the black-clad widow of the former dictator received the body.

The widow, Rachele, had come secretly from the island of Ischia where she has been living a retired life since World War II.

Predappio is a village in the Apennine foothills of Emilia, 75 miles southeast of Bologna. Mussolini's father, mother and son Bruno are buried there. Bruno was killed in a World War II airplane crash.

An Interior Ministry communiqué said the body was consigned to Mrs. Mussolini shortly after noon.

Mussolini tried to flee into Germany in the closing days of World War II in Europe. Partisans captured and killed him and his mistress, Claretta Petacci, April 28, 1945.

His burial was held in secret after the execution in order to avoid political trouble with die-hard Fascists.

His bullet-ridden body was hidden on government order after it had been hung by the feet in front of a filling station on the outskirts of Milan along with the body of Miss Petacci.

## First Civil Rights Bill To Be Enacted Into Law in Fifty Years on Way to President

## By JOE HALL

Washington, (AP)—The first civil rights bill to pass Congress in more than 80 years was on its way to President Eisenhower today. The Senate completed congressional action on the compromise measure late last night after 39 hours of continuous session, passing it by an overwhelming 60-15 vote. The House had passed the bill last Tuesday.

The end of the months-long battle over civil rights came two hours after Sen. Thurmond (D-SC) ended a record-setting filibuster against the bill. Thurmond held the floor for 24 hours and 19 minutes. The previous record was set in 1953 by Sen. Morse (D-Ore) in an equally futile oil effort to defeat the submerged oil lands bill.

Thurmond's filibuster was single-handed. Other Southerners refrained from joining in because they felt it was fruitless and might boomerang.

Final passage of the civil rights measure cleared the way for adjournment of Congress, probably today.

On the final roll call, 15 Southerners voted "no." Thirty-seven Republicans and 23 Democrats joined in support of the bill. There were many absentees.

The bill provides broad new federal enforcement powers in the field of voting rights, although it does not contain some of the far-ranging provisions originally asked by Eisenhower.

Nevertheless, its passage is an outstanding victory for Eisenhower and for members of both parties who have struggled for years to win action on civil rights.

The political repercussions are certain to be felt for a long time. The key feature of the bill is a provision giving the Justice Department authority to seek federal court injunctions to enforce the right of every citizen to vote, regardless of race or color.

Other provisions in the bill would:

Create a six-member bipartisan commission, named by the President but with Senate confirmation, to make a broad two-year study of all civil rights problems, with specific attention to complaints of denial of voting rights. The commission would have subpoena powers.

Create a new civil rights division in the Justice Department, headed by an assistant attorney general.

Repeat an old Reconstruction era law that authorized the president to employ troops to enforce court orders in civil rights cases.

At the same time, Leader told newsmen he would support Joseph J. Lawler, outgoing highway secretary, for commission chairman in a reorganization of the toll road agency.

However, he declined to "discuss names" of persons who he said might be under consideration for either post.

Other conference developments: Open Meeting—The governor declared he personally favors elimination of closed executive sessions held by the General State Authority before its official meeting open to the press.

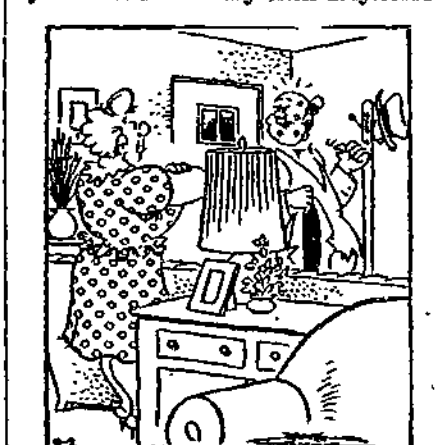

Drought Relief—The governor said that he personally believes federal aid should be meted out to drought-hit farmers in southeastern Pennsylvania.

State Police Patrols—The governor stoutly defended his plan to assign state police in plain clothes and unmarked cars to patrol highways over the Labor Day weekend. The plan has been attacked in some quarters as "snooping."

## FATAL COLLISION

Pittsburgh (AP)—A car rammed the rear of a slow-moving tractor-trailer on Route 22 in nearby Churchill Borough last night, killing the auto driver, Brewster C. Locke of Penn Twp. Locke, 45, was president of Industrial Helicopters, Inc., a helicopter-chartering firm. The truck driver, Charles Glown of Conemaugh, Cambria County, escaped injury. He was hauling a load of steel.

## Budget Requests Sliced By \$5,927,495,584.00

Washington (AP)—Senate Majority Leader Lyndon B. Johnson (D-Tex) said today Congress reduced President Eisenhower's budget requests by \$5,927,495,584.

"I hope that is enough to avoid having our hair curled," Johnson said in a statement.

This was a reference to an earlier remark by former Secretary of the Treasury George B. Humphrey—who said in January that unless government spending is reduced over the years there will be a depression "that will make your hair curl."

## Extra Care Urged by Safety Council Over Long Weekend

## By The Associated Press

Millions of Americans made plans today for the summer's last weekend holiday and the nation's highways were expected to be jammed with motorists through Labor Day.

The National Safety Council has estimated that 420 persons will be killed in traffic accidents during the 78-hour holiday period from 6 p. m. (local time) today to midnight Monday.

The traffic toll for last year's three-day Labor Day holiday was 435, one of the highest in several years. In addition, there were 89 drownings, and 72 deaths in miscellaneous accidents for an overall total of 596.

The Council urged motorists to take extra care to meet the increased holiday hazards. During this year's 4-day Memorial Day holiday and 4-day Independence periods traffic deaths were no greater than during a non-holiday period of similar length, the council said. The tolls were 412 for the Memorial Day period and 426 for the Independence Day period.

## Air Fair Show in Warren and Scandia Homecoming Feature Weekend Events in The Area

Warren County along with the rest of the nation heads into a long Labor Day weekend today with the big news next Tuesday expected to be a staggering traffic death toll.

Predicted warm and partly cloudy weather on Monday is almost certain to swell the masses of picnic and vacation-bound travelers taking advantage of the holiday which brings the summer season to an official close.

One big public event in Warren will be the free Air Fair at the Municipal Airport sponsored annually by the JCs. This begins with a fly-in breakfast in the morning, then plane inspection, flying demonstrations and acrobatic parachuting in the afternoon.

Another big Sunday event will be the famed Corydon Clambake just west of the village north of Kinzua. In previous years this Clambake has attracted as high as 3,000 persons and, weather permitting, is expected to be just as big again this year.

Another project, this scheduled for Labor Day Monday, will be the 27th annual Elk Township Homecoming at Scandia. Activities begin at 10:30 a. m. at the church with special music and a talk by the Rev. Gustav Erickson of Jamestown. Ladies Aid of Scandia Mission Church will hold a dinner beginning at noon and a bazaar later. Sport time is 1:30 p. m., with Y-Bar-U Saddle Club holding its show at 2:30 p. m.

Warren, as usual, will be closed up tight as a drum Sunday and Monday. Court house offices, post offices, banks, mercantile establishments, etc., will be closed. Several bars, however, will be open.

Extended weather forecast is not quite so warm Sunday, warmer Monday; cooler north portions Tuesday or Wednesday. There is (Turn to Page Ten)

## Lawmakers Seek Ways and Means To End Talkathons

Washington (AP)—The record-breaking filibuster by Sen. Thurmond (D-SC) brought both Republican and Democratic announcements today of plans to fight for Senate rules changes to make it easier to halt talkathons.

Five Democrats—Sens. Douglas of Illinois, Humphrey of Minnesota, Neuberger of Oregon, McNamara of Michigan, and Clark of Pennsylvania—led off with an announcement that Thurmond's performance will spur them to maximum efforts in that direction.

Then six Republicans—Sens. Case of New Jersey, Ives and Javits of New York, Kuchel of California, Potter of Michigan, and Thye of Minnesota—joined in saying:

"We have seen a sample of what the filibuster means to civil rights measures and how it can block the public business in such critical times."

The Democrats said they will try for a rule under which a Senate majority could limit debate. They did not specify whether they had in mind a majority of the full Senate membership of 96, or a majority of those present and voting.

Under the present rules, 64 affirmative votes are required to shut off debate and end a filibuster. And there is no present way by which the Senate can change its rules without the prospect of a filibuster on that issue itself.

## Old Followers of Hitler Hitting Come-Back Trail

Hannover, Germany (AP)—Some of Hitler's old followers are trying to hit the comeback trail in West Germany's national elections Sept. 15.

From the North Sea to the Alps, the small Deutsche Reichs party is fighting more moderate parties for seats in the new federal Parliament. It has no seats now and is not expected to gain the five per cent minimum vote necessary to give it representation.

West German security authorities, closely watching its activities say it is better to have the old Hitlerites operating in the open and in one party than underground in moderate groups.

## IKE IS OFFICIALLY NOTIFIED THAT HOUSE HAD CONCLUDED SESSION BUSINESS AT NOON

Washington, (AP)—Congress whipped rapidly along on last phases of its session's work today in a drive for adjournment.

The House approved two of the "must" measures—a \$3,435,810,000 foreign aid appropriation and a bill laying down ground rules for defense attorneys to get a partial look at FBI files if these are used in trials of their clients.

House action sent them to President Eisenhower. The Senate had endorsed these bills in a late-into-the-night session at which the historic civil rights bill was cleared to the White House.

The House notified President Eisenhower at noon it had completed its business and was ready to adjourn. This is a required formality before the House ends a session.

Senate Democratic Leader Lyndon B. Johnson of Texas called that body back to work at 9 a. m. today—The House arranged to meet at 10 a. m.

Leaders predicted Congress—if it really tried—could complete its work in time to quit and go home by mid-afternoon, ending an eight-month session that began Jan. 3.

The Senate passed the civil rights bill, designed to protect the voting rights of Negroes, on a 60-15 roll call vote. Passage came near the end of a marathon 39-hour session, in which Sen. Thurmond (D-SC) waged a record one-man filibuster against it.

Thurmond spoke for 24 hours and 19 minutes, and said "I feel fine" when he quit. He smashed a 46-year record of 22 hours and 26 minutes, held by Sen. Morse (D-Ore).

The civil rights measure represented a victory for the Eisenhower administration, although it had been shorn of some features the President had requested.

It remained to be seen whether Eisenhower now would soften his appraisal of the 1957 legislative record of the Democratic-controlled Congress. He told an Aug. 21 news conference he viewed that record as a disappointing one.

Senate approval sent the compromise civil rights measure to Eisenhower.

Then, with only minutes of debate on each, the Senate passed these bills:

1. A \$3,435,810,000 money bill to finance the nation's global program of military and economic aid to friendly countries. The measure went then to the House.

2. A compromise bill to ease some restrictions in the immigration laws, but denying many liberalizing features Eisenhower had asked. It went to the White House.

3. A bill designed to protect FBI files from limitless scrutiny by defense lawyers, and to safeguard the right of defendants in federal courts to examine relevant material in those files. This bill also went back to the House.

A \$6,000 blaze burned through the night at Bear Lake, razing a frame dwelling and driving its 65-year-old occupant into the darkness with only his nightshirt, a trunk and suitcase.

Owner Joe Horvath was roused by dense smoke and fled, gathering about him what few possessions he could. He lived alone. Fire alarm was turned in about 1 a. m. by a neighbor who lives across the street from Horvath in Bear Lake.

Fifty-five volunteer firemen responded to the alarm which sounded in Bear Lake, Sugar Grove and Panama, N. Y. The wooden structure was completely in flames by the time firemen arrived and they had to be content containing the blaze and preventing it from spreading to adjoining barns.

Cause of fire was undetermined for the partly insured building, loss of which along with contents amounted to approximately \$6,000. Firemen were at the scene 'til 6 a. m.

**62-Year-Old Nun Enjoys First Jet Plane Flight**

McGuire Air Force Base, N. J. (AP)—A 62-year-old Roman Catholic nun who is a licensed pilot said her first jet flight yesterday was like the answer to a prayer.

Sister Mary Aquinas averaged 525 miles an hour in her T33 jet trainer flight with Air Force Maj. Chester A. Biedel, Detroit. She took over the controls part of the time from Madison, Wis., to McGuire. A science teacher at Holy Family College, Manitowoc, Wis., she came to New Jersey to give a lecture.

"Ever since I heard they invented a jet engine, I've wanted to ride in this kind of plane," said Sister Mary, who hails from Zanesville, Ohio.

## Fly-In Breakfast To Launch Jaycee Air Fair on Sunday

Jaycees annual Air Fair will buzz off Sunday morning as fliers from the tri-state area arrive for a fly-in breakfast. Jaycee Air Fair chairman Don Norris said today that his committee members will be equipped to handle some 200 diners that morning.

Main spectator attraction will begin at Warren Airport about 1:30 p. m. when the first of several scheduled acrobatic parachute jumps is scheduled to take place. Victor Torrito and Frank Stylak of Jamestown Parachute Jumpers and Riggers will give the sky diving demonstrations.

Jaycees will also have concession stands at the airport for the crowds who may take this opportunity to mingle among the many planes expected to assemble about the local hangar. Some of the pilots will also give demonstrations of various flying skills during the afternoon of the Air Fair.

Jaycee committee members arranging the show have been Don Norris and Lloyd Ellsworth. Cooperating with the Warren Aviation Club are Mel Barron and Orly Papalia.

## Firemen at Lander Plan Activities

Lander—Ernest Stanton presided and 21 members answered roll call for the regular meeting of Lander Volunteer Fire Department, reports of the recent Gala Days showing they were a success despite inclement weather.

Effective Wednesday of this week, the firemen will be sound-ed at 7:00 p. m. each Wednesday in connection with the weekly fire drill.

It was decided to serve a ham and beef dinner September 14, with the Auxiliary assisting at the hall. A barbershop chorus from Jamestown will present a program at Eisenhower High School auditorium at 8:00 p. m. September 21 for the benefit of the fire company.

To conclude, refreshments were served by the committee.

Mr. and Mrs. Ernest Beck and Mrs. Maynard Beck spent last weekend with Mr. and Mrs. Bert Ongley at Waddington N. Y. Larry and Jerry Ongley accompanied them home after a visit with their grandparents.

Mrs. Elsie Putnam has been spending a few days with Mr. and Mrs. Fred Lutnam at Reynolds-ville.

## Times Topics

**FIRST HAIRCUT**

When a young man gets his first haircut it's a big occasion in his life, but for young Pete White, two-year-old son of Mr. and Mrs. Tom White and grandson of Mr. and Mrs. Burdette Weiler, it was doubly so, because he is the fifth generation of the same family to have this service performed by Joe Conti, well known local barber for many years whose shop is located at 806 Pennsylvania avenue east in addition to young Pete Mr. Conti has done barber work for Alden Chapman and Frank Chapman. Mrs. Burdette Weiler's grandfather and father, as well as her own her daughter, Jean Weiler White, and finally young Pete.

## YOUNGsville

Youngsville—At a meeting of Halgren-Wilcox Post American Legion, it was decided to cooperate with the Fair Board again this year in series of games.

An enthusiastic crowd of more than 400 young people attended the "Rock-N-Roll" dance in IOOF Hall from nine until one o'clock Tuesday night. Not only did they enjoy dancing to the fine music of Billy Lehman's orchestra, out they particularly liked the especially numbers which made up a good show, including the singing of June Schenck Carol Brooks and her committee deserve a lot of credit for making preparations for this social event, cleaning up afterwards, etc.

At the regular meeting of Brook-entraw Grange Tuesday evening, chief discussion centered around participation in the Fair, including a float and booth. Lecturer E. Leo Johnson, who had been appointed by the State Grange lecturer as one of a committee of five to plan programs for all Granges of the State for 1958, made his report. He met with the committee Monday at Penn State where they were joined by two of the college professors.

The story of Jeanne Eagels is one of the most fabulous in all show business. The brilliant actress is portrayed by luscious, talented Kim Novak in George Sidney's "Jeanne Eagels," Columbia Pictures' drama due Sunday at the Library Theatre. Jeff Chandler stars with Miss Novak.

## Brokenstraw Valley Principal Calls Faculty Meeting for 9:00 O'Clock Next Tuesday Morning

Supervising Principal H. J. Sherwood announces all teachers in the Brokenstraw Valley Joint School District will report for a general faculty meeting at 9:00 a. m. Tuesday, September 3, in the Youngsville High School building. The entire day will be spent by teachers in meetings and other activities preparatory to arrival of students for the 1957-58 term.

Pupils will report at the regular opening hours on Wednesday morning, each school in the district operating on the same time schedule as was observed last year. During the first five days, dismissal at the high school will be at 2:30 p. m.; in the elementary schools, adjustment will be made to coincide with bus schedules.

Starting Wednesday, September 11, the full-day schedule will get under way, with dismissal at the high school at 3:10 p. m. All students entering first grade and not already registered, will present birth and vaccination certificates; those who took the pre-school tests last spring are already enrolled.

Bus routes will run on the same schedule and routes as last year, with a very few exceptions. Where there are changes on any given route, persons involved will be notified. Students who walk or provide their own transportation should arrive at school between 8:25 and 8:40 a. m.

Several new teachers will join the Brokenstraw Valley Joint School faculty in the new term: George Wollaston, recent graduate of Clarion State Teachers' College and resident of Warren, will teach high school chemistry and general science; Janet Dumbaugh, Westminster College graduate and resident of Butler, will teach business education; Herbert Johnson of Youngsville, who recently completed his work at Edinboro State Teachers' College, will teach junior high English and social studies.

Mrs. Berdena Lay of Irvine, recently a teacher at North Warren and earlier in Youngsville Borough, and Mrs. Donald T. Johnson of Irvine, who formerly taught at West View, Pa., have been assigned to Youngsville Elementary School.

A total enrollment of 1,450 students is anticipated, 555 of whom are presently registered in the Junior-Senior High School.

Cafeterias will operate in every school, beginning Wednesday, September 4, lunch prizes throughout the district to be 25 cents per day for a hot lunch, including milk and dessert. To improve facilities in the high school cafeteria, a second serving line will be operated, expediting serving and allowing students additional time in which to eat.

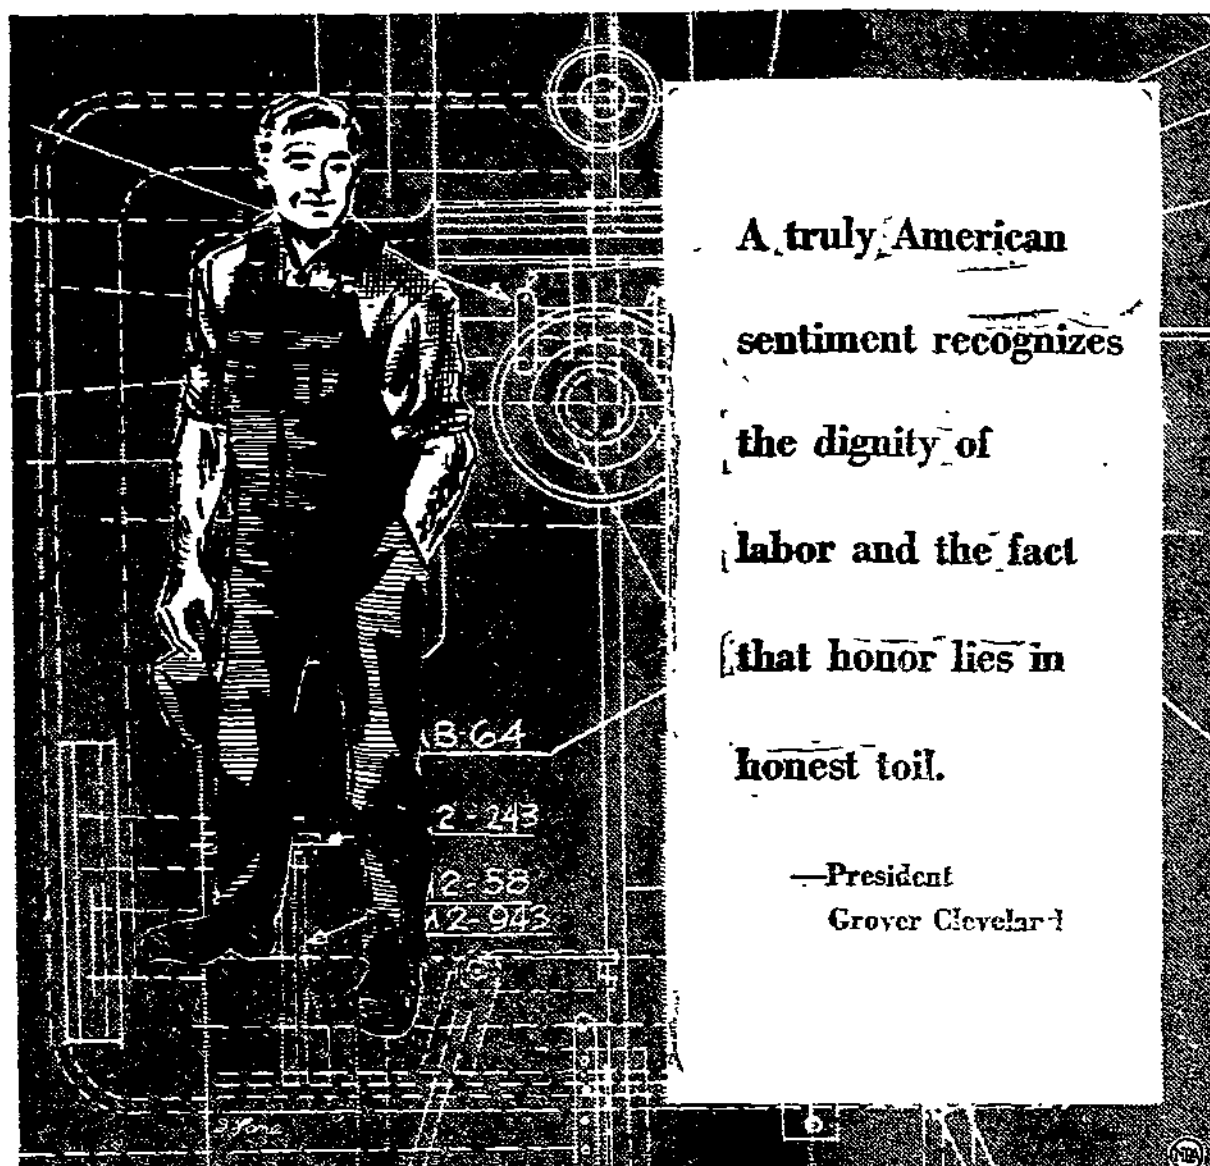

Buildings throughout the district have been cleaned and repaired and are in excellent condition for the fall opening. Gilbert Anderson, supervisor of maintenance, has reported considerable painting, extensive cleaning, and necessary repair work will be completed before the opening day.

## Much Interesting Data Unearthed In Ludlow Legion Home's History

PART II.

Ludlow—Yesterday's Part I of the resume of data recalled in connection with the American Legion's mortgage-burning ceremony referred to the fact the present Legion Hall was purchased in 1948 from the original builders, the IOOF Lodge.

The history of this old building is the history of Ludlow. Used primarily at first for meetings of Swedish lodges, a barbershop, pool hall, and lunch counter, it gradually assumed other functions.

It was used as an isolation center and hospital during the "flu" epidemic of World War I; as a Red Cross center during both world wars, as well as for benefits

sponsored by the Red Cross in the earlier conflict.

Many a basket-social and cakewalk has been held there, to say nothing of Swede-hops and Polish polkas. The first magic-lantern shows were held there, entrancing the children of that day as movies and television do today.

Long before the new school building was erected in 1914, with its auditorium and stage, plays and dramatic events were scheduled in the hall.

A mock wedding which used the first three school grades was given under the direction of a Chicago woman. Its principals were kindergarten-age Lois Gardner, as the

bride, and Ben Connelly as bridegroom, with Lloyd Peterson as minister, and every youngster of the well-populated grades of that day in full formal dress.

This writer, Mildred Nelson, well remembers this Lilliputian affair and the green taffeta dress she wore. She also recalls being taken by her parents to a Red Cross benefit during World War I, in which the girls brought boxes to be sold to the highest bidder. Cakewalks have been used as benefits for many years, existing even today in Ludlow. An event from the past, they become a real experience for the novice.

Wedding receptions and community dinners are often held here, as are dances. Boy and Girl Scout dinners have always been served here by various community organizations; Girl Scouts held their meetings in the hall from 1949 to 1953.

One fact every adult voter will recall is that this building has housed the polls during most of the years remembered by present residents. Some will remember the days when voters arrived by sleigh just before the clerk opened the polls on his way to work at the J. G. Curtis Leather Company, now also a part of the past. People converged at this focal point from all over Hamilton township, to vote, to meet friends they hadn't seen since the year before, and to spin many a yarn.

John Gibbs, of Gibbs Hill, Nels Wenstran, King Peterson, George W. Olmsted and James A. Connelly were always prominent voters. Mr. Connelly later became Republican chairman for the district and attended many state and national political affairs.

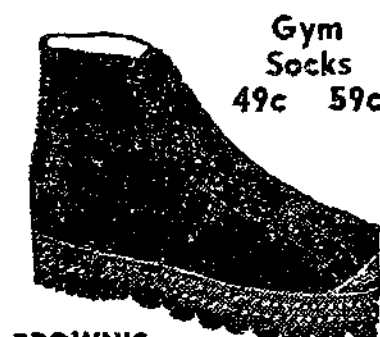

As referred to earlier, James Ueber Post was chartered in 1920 with 37 members and has grown to a present 112, with Bert Carlson commander and new officers to be installed soon. Organized in the old Movie House owned by Silas Johnson, members met in various homes, later renting a room in the IOOF Hall after World War II, with a membership much enlarged, they dared to think of a building of their own.

Among Legion-sponsored activities is the Ludlow baseball team, which plays every Sunday during the summer at Wildcat Park. Once composed of Ludlow boys, it now has men from many other towns who combine their talents on this team and field. An earlier project was the Little Leaguers, but recently Ludlow has not been able to have a team.

Through the years, the Post has given to many worthy causes supported many events, and helped wherever needed. Today, the American Legion Hall represents a community building in which history marches on in the little town of Ludlow.

## Welcome Wagon Newcomers Club

In response to various inquiries, Warren Welcome Wagon Newcomers' Club officials have prepared the following explanatory notes:

When a new family moves to Warren, the lady of the house is greeted by a community ambassador, the Welcome Wagon hostess, most as soon as the movers have treated. She comes bearing a ribboned basket of gifts from local merchants and an invitation to become a member of the local newcomers' Club. This invitation, in fact, a pleasant, easy way to soon become an active part of the new community.

The club holds monthly dinner or escort meetings. It is at these business sessions the newcomers learn of the many other activities open to her. At nearly every meeting there is a program or speaker with specific knowledge aimed at acquainting the newcomer with her new surroundings.

Recognizing how lonely a new home can be, the club has a full schedule of activities aimed at touching upon the tastes of each and every member.

For the card enthusiast, there is a bridge club which meets monthly at the homes of various members.

A sewing club, also holding monthly meetings, affords not only an opportunity to work on individual projects, but also presents instructions on special subjects from time to time. Last spring a course in dressmaking was presented under supervision of Mrs. June Spencer of the Agricultural Extension Service.

Activities designed to bring the families of a newcomer into the social schedule are: A bowling group which meets regularly in the winter, a Christmas dance, summer picnic, Halloween party and various parties throughout the year.

If you are a new resident or

know of a stranger to Warren who has not been contacted by the Welcome Wagon hostess, please notify Mrs. Katherine Davis, telephone 2555-W. Everyone will find a friendly, warm reception in this group and through it will soon feel "at home" in Warren.

### ANDERSON REUNION

Russell—Mr. and Mrs. Edwin Branstrom entertained the Anderson reunion at their home, with approximately 70 relatives present, including Mr. and Mrs. Hazlette Anderson, Victorville, Calif., and son, Fred, Hartford, Conn.; Raymond Anderson and Mrs. Daisy Anderson, Syracuse. Also attending were relatives from Warren, Jamestown, Bradford, Frewsburg and Kinzua. Those of the older generation were Fred Anderson, Warren, and his sister, Mrs. Maude Fuller, Kinzua.

### NEIGHBORHOOD CLUB

A meeting of North Warren Girl Scout Neighborhood Club will be held at 9:30 September 5 in the church basement, with all leaders and adult Scout and Brownie workers urged to be present to begin the fall program.

### FAMILY GATHERING

The 39th annual reunion of the Ludwick, Isaacson and Lawson families was held August 24 at the home of Mr. and Mrs. Charles Burgett in Edinboro, the 80 persons in attendance marking five generations.

A chicken dinner was enjoyed in the Edinboro Methodist church after which a brief business session was held and the following officers were elected: Walter Thompson, president; Richard Phelps, vice president; Peggy Dalrymple, secretary-treasurer. Next year's reunion will be entertained by Dan Isaacson and his father at Ashville, N. Y.

### CALVARY BAPTIST

Richard Reed, associate pastor, will be in charge of services in the absence of Pastor Obinger, who, with many of the young people of the parish, will enjoy a weekend at Camp Burton. Many others will join them Monday for the Baptist Middle East Conference Rally. The regular meeting of WMS is cancelled next week, the only activities to be Bible study and prayer Wednesday evening and Prayer for Revival Saturday.

### CATHOLIC DAUGHTERS TO MEET WEDNESDAY

Court Warren, Catholic Daughters of America, will meet on Wednesday, September 4, for their first fall business meeting in St. Joseph's hall at 8:00 p. m. The officers will act as committee for refreshments.

South's jump to three hearts was quite an overbid but I have seen lots worse game contracts brought home successfully.

West opened the four of spades and East played the eight. South won with the jack and led a low heart to dummy's king.

At this point East became clairvoyant. He played the three of hearts just as if he had no problem in the world.

A second heart was now led from dummy and East played the nine. No one can blame South for going wrong right here. East could have a perfectly sound opening bid without the ace of hearts so South played the ten from his own hand. West made his jack and East's three aces were left to set the contract.

If East had played his ace of hearts on the king, South would have made his contract. He would have been unable to get to dummy to finesse against the jack and willy-nilly would have had to lay down the queen, whereupon the jack would have fallen.

I called East's play clairvoyant because he had no way of knowing that South was going to play the trump right back. For all East could tell South might have needed that entry to dummy for a club or diamond lead and East's duck might have cost him the game instead of saving it for him.

I do want to give East one great credit. He did not double four hearts with his three aces and king. If he had done so I am sure that South would have played East for all three aces and wrapped up his contract.

### FAITH ANN HARLAND IS BIRTHDAY GUEST

Miss Faith Ann Harland, daughter of Mr. and Mrs. Dana F. Harland of Pleasant township, was honored for her fourth birthday anniversary with a dinner party in the Cedar Room of the Elbe and White Restaurant Wednesday evening.

The table was attractively set for 20 young guests, with birthday hats, favors and placements in keeping with the occasion. As centerpiece was a beautiful three-tier cake, topped with a tiny girl and her court of four, each carrying a white candle. Arrangements of garden flowers completed the decor. The honored guest's gift table was set with a large model "4" in silver, surrounded by balloons, with each guest's name imprinted in the silver theme. A third table held "loot bags" filled with grab bag gifts and lollipops.

Sharing this birthday fun with Faith Ann were Joni and Jini Schneek, Sue Spangler, Marty Pritchard, Bobby Holt, Becky Pot-

## Hats Off to LABOR!

America's  
RIGHT ARM

The incredible productivity of the American worker is the envy of every nation in the world. It makes us the richest, the strongest, the most progressive people who ever lived. Therefore, it is fitting that once a year we should set aside a day to honor our men-who-produce all the things we need, use, and too-often take for-granted. Come Monday, let's all take our hats off to the man who works!

## LUTHERAN WOMEN ATTEND CONVENTION

A number of local Lutheran women were in Greenville Tuesday and Wednesday to attend the 39th annual convention of United Lutheran Church Women of the Pittsburgh Synod, held in Russell gymnasium at Thiel College. In the group were Mrs. C. A. Satterlund, Mrs. Chester Hansen, Mrs. Charles Cable, Mrs. Hazel Witz, Mrs. Edith Sweet, Mrs. Jeanette Highhouse, Mrs. Sheridan Brown, Mrs. Jeannette Geer and Mrs. Frederick B. Haer.

Accompanying them home, to be overnight guests in Warren, were Mrs. Elizabeth Baden, a pastor's wife and head of the Lutheran women's organizations in her section of Germany, who was a guest of Mrs. E. R. Anderson; and Mrs. Irena Heintze, representing Lutheran women of Poland, who was a guest in the home of Mrs. Everett Borg.

Both had been in attendance at the Lutheran World Federation meeting in Minneapolis last week, were guests last evening at a rally at Immanuel Lutheran church in Jamestown. They are returning to Pittsburgh today and will have a number of other speaking engagements before sailing for their home countries on September 13.

## Three Vip's Meet on Capitol Steps

Congressman L. H. Gavin is shown on the steps of the Capitol with "Miss Pennsylvania," Miss Jennie Blatchford of Altoona, Pa., and fellow Pennsylvanian Major General John H. Michaelis, after a luncheon in her honor given by Congressman James E. Van Zandt who represents Miss Blatchford's District in the Congress.

## Three Girls From Area Take Part in Dist. Dress Revue

Three Warren County girls competed in the Northwest District Dress Revue on Wednesday. These girls were Mary Sweeney and Jean Allen, both from the Sugar Grove 4-H Club, and Nancy Curtis of Columbus who did free lance sewing this summer. Mrs. Walter Sweeney, Mrs. Carl Allen, Mrs. Carleton Curtis, and Mrs. Geraldine Johnston, extension home economist, accompanied the girls and all were guests of the Pennsylvania Chain Store Council at a luncheon held in Hyde Hotel in Ridgway. Dress Revue was held at Centennial High School in Ridgway.

Fourteen counties were represented in the District Revue with forty-three girls competing. The winner, who will represent Northwest District in the State eliminations on September 18, is Miss Nancy Allshouse, Star Route, Richardsville, Jefferson County. She will be one of four girls in the State to compete for honors. The State winner gets an all expense paid trip to 4-H Congress in Chicago in December.

Although there was not a winner among the Warren County girls, Mrs. Johnston reports that they did very well and placed high in points.

## PICNIC SUPPER

IF your neighbors are close, be considerate of them in such matters as keeping the volume of your radio or TV turned low, keeping your children from running over your neighbors' lawns and flowers and letting your next-door neighbors have some privacy when they entertain out-of-doors.

Being a good neighbor just takes a little consideration.

## Increase in School Population Anticipated at Northern Area

Lander—With September 4 set as the first day of classes in the 1957-58 academic year for Northern Area Joint School System, school officials report population forecasts indicate an additional 80 students will be reporting and the total is expected to exceed 1,200. This increase will come about through a first grade of 85 students more than the class graduated last June.

Wednesday will be a full school day, it is stated, with high school scheduled for 8:40 a. m. to 3:10 p. m.; elementary scheduled in Lander, Russell and Sugar Grove elementary schools allowing for bus travel.

Eisenhower High School cafeteria will serve lunch the opening day, and each day thereafter; Lander cafeteria will not serve lunch the first day, but will have milk available; Russell building will provide neither lunch nor milk on the first day and these children should bring their lunches.

Pupils will report generally to the buildings they attended last year, all high school students going to the Eisenhower building; elementary students who reside in Farmington township will report to Lander; those in Pine Grove township, to Russell; Sugar Grove township and borough, to Sugar Grove, with exception of bus travelers from Stilson Hill, Stillwater road, Catlin Hill and Jamestown road areas, who will go to Lander.

Also remaining about the same will be bus schedules and persons having inquiries should contact the particular contract holder wherever possible.

Ed and William Barrett, Barrett's Garage in Russell, can answer queries for Pine Grove transportation; LaVern and Gail Decker, for routes in Farmington, Rounds Hill, Brown Hill, Matthews Run and Chandlers Valley areas; Michael Zurkan, Joe and Henry Rutsky, remaining Sugar Grove areas.

## The POWER of FAITH

by Howard Brodie

Helen Keller, now 77, broke out of a dark, soundless world to devote a lifetime to helping others—by an example of courage, by a constant demonstration of joy in living and in faith. In spite of the triple handicap of blindness, deafness and imperfect speech, she has demonstrated her uncomplicated belief that "if you can enjoy the sun and flowers and music, where there is nothing except darkness and silence you have proved the mystic sense." And she has said: "I cannot imagine myself without religion. I could as easily fancy a living body without a heart . . ."

## Play Safe While You Drive!

Keep alert—chew gum

Avoid traffic jitters and driving drowsiness. Chew gum while you're behind the wheel. Chewing helps relieve strain and tension—helps keep you feeling fresh and alert for safer driving. Chew any brand of

gum you like but chew while you drive. Naturally, we recommend Wrigley's Spearmint Gum—for lively, satisfying flavor and real chewing enjoyment.

## Warren Brothers Are Chosen To Compete in Pistol Tourney

It was announced today by the National Rifle Association of America that 18-year-old "Perry" Mahaffy left, and his 16-year-old brother Paul, right are to compete with 2,000 of the nation's top military and civilian riflemen in the 72nd renewal of the National Rifle and Pistol Championships at Camp Perry, Ohio, from August 31 to September 5. The expert shooters are the sons of Mr. and Mrs. Roger Mahaffy, Sr., Egypt Road. The young gentlemen left Sunday, August 25 by car and they plan to return home Sunday, September 8 "Mom" and "Pop" and daughter Kathleen, left for Camp Perry yesterday. Mr. Mahaffy is a member

of the Pennsylvania State Rifle team. Both youths are widely known for their interest in the sport. Paul was Rifle Club president in Warren last year, a member of the vastly Rifle Club, and received his letter in shooting in his sophomore year. Perry was executive officer in 1956, his senior year. Mat Hsieh, Rifle Club advisor in Warren High, said that both youths are top shooters, really experts, and they qualified under Army qualifications as expert shooters. Four 1956 defending champions will be on hand at Camp Perry to defend their titles. The national smallbore rifle (22 calibre) and pistol championships will be held on the same world famous shooting ranges during the same period. The dates for the entire national matches program are from August 9 to September 10. Several shooting schools open to the public at no cost will complete the program.

## Warren Pilot Has His Eye on Biggest Race Trophy Award

Emory Mahan, the Warren pilot who drives the Chevy "3-Ball" at State Line Speedway, has his eye on the biggest trophy ever awarded in local racing circles Saturday evening at Busti. Besides the trophy, the largest purse ever offered in the history of local late model stock car racing will be presented Saturday.

A fifty-lap feature for the 1957 Track Grand Championship will highlight Saturday night's card at State Line, located just south of Busti. Thirty cars will start the feature, but with 45 already registered the heats and semi-finals will doubtless be as hard-fought as the main go with drivers battling for starting positions.

More than 40 of the top drivers on the I.R.A. circuit will compete for a \$2,000 purse plus a 3 1/2-foot high trophy which should bring about a crash-landing event all the way around. And, on top of this, \$1,000 will be presented to the fan who can correctly forecast the first four cars in their correct positions.

Mahan has had more than his share of mechanical trouble this year, but promises to have his auto in tip-top shape for the weekend. His chief competition will come from Dean Layfield of Wellsville, top point man on the I.R.A. circuit, and Jamestown's Joe Saucier, a consistent feature winner.

Time trials, an added feature, get under way at 7:30 with the green flag dropping on the first race at 8:30. In all, over 100 laps of racing will be presented in the biggest attraction of the holiday racing period.

## All Agents to Get Hunting Licenses By This Saturday

Resident and non-resident licenses covering the hunting year 1957-58 are now on sale at the Department of Revenue in Harrisburg, and through every County Treasurer's office. Deputy Secretary of Revenue Joseph Andrews announced today.

He also announced that the licenses are available through most of the Department's authorized agents, and that by Saturday, August 31, all authorized agents will have received their supply of the new licenses.

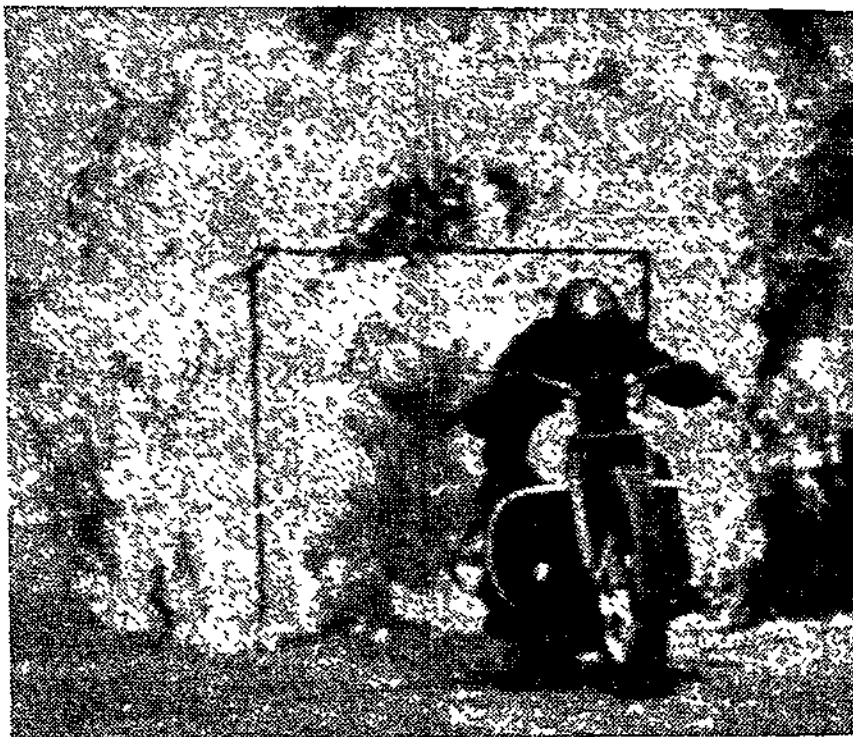

The licenses apply for the hunting year, September 1, 1957 through August 31, 1958. The fee for resident hunting licenses is \$3.15 and \$20 for non-residents.

Additionally, archery licenses are now available, for the first time, through County Treasurers at a fee of \$2.15.

Because the opening day of the hunting season, September 1, falls on a Sunday, hunters are advised to consult local authorities and laws before starting out. Hunters are also advised to check the shooting hours as these are based on Eastern Standard Time, and most of the Commonwealth is now on Eastern Daylight Time.

In this area. The first event is scheduled to hit the track at 8:30 p. m. and fans are advised to arrive early, if they wish to get a good seat.

## Crash Kings at Skyline Sunday

One of the stunts you will see Sunday evening at Skyline Speedway in Sugar Grove, will be a Johnny Hardinger Crash King rip-roar through 20 feet of flaming hell on a motorcycle.—Beall Photo Studio, Corry.

A gigantic pre-Labor Day program will be presented at Skyline Speedway this Sunday evening when Johnny Hardinger's "Crash Kings" will appear, on a double billing, with stock car drivers of Independent Racing Association. The Crash Kings will perform in a 90 minute long, auto daredevil show, while the six event Late Model and Jalopy racing card will

be climaxed by a 50-lap Late Model Trophy Championship Race. Harding, a native of nearby Corry, will close the program with his famous "Leap of Death", where he jumps a two-ton automobile approximately 90 feet through the air, to land on six old cars. Other stunts to be performed by the "Crash Kings" will be the "T-Bone Crash", "Human Battering Ram", "Slide for Life", the famous "Criss-Cross", roll-overs, hi-skees, Gaucho driving, wing-overs, Tandem Hell Driving and many more.

Besides the nine automobiles they use, some being 1957 models, a motorcycle will be used in the "Tunnel of Death", where the unprotected rider roars through 20 feet of flames and will also use the machine in a burning wall crash.

Top-notch hell driving staff includes the only woman in the U. S. currently performing the "Human Battering Ram" stunt, "The Masked Blonde" Johnny "Madman" McGinley, Clarion, who won the feature event at Skyline last week, is also a member of the staff.

A 50-lap, Late Model Trophy Championship race will find the top J. R. A. stars going all out to cop the beautiful trophy that will be presented to the winner. Johnny "Madman" McGinley is definitely the favorite Emory Mahan, Warren, is just liable to guide his 1957 Fuel Injection Chevrolet right into the winner's circle also.

In the Jalopy Division, Keith Lundmark, Russell, (won last week after finishing 3rd three times), and another Russell driver, Chuck Martin, seem to be top contenders for the twenty lap feature.

All in all, Sunday's program at the Sugar Grove oval promises to be the outstanding Labor Day weekend entertainment attraction.

## Sweeping Three-Game Series Slumping Yanks Put Faltering White Sox Out of League Race

By ED WILKS  
The Associated Press  
The go-go Chicago White Sox are gone.  
They put the heat on New York's slumping Yankees and the champs got hot, sweeping a three-game series and regaining a 6½ game American League lead with a 2-1 victory yesterday. Enos Slaughter's 11th-inning home run and five innings of one-hit shutout relief by White Ford did it.  
Just 72 hours earlier, the Sox surprisingly were still in the race. They had won six in a row and had their best, righthanders Jim Wilson and Dick Donovan, and southpaw Billy Pierce, rested and ready. The Yankees, their pitching pooped by injured, had lost five of seven.  
Now the Sox are six games back on the lost side and with 28 games remaining have only eight more left at home. The Yankees have 27 to go, all but nine at home.  
The Yankees' magic number now is 22 — any combination of

## Four of "Fighting Fullmer" Family in Next Week's Action

West Jordan, Utah (AP)—Four of the "fighting Fullmer" family will see action in next Wednesday night's TV fight program from here—three inside the ropes and a pretty colleen at ringside.  
Gene Fullmer, former middleweight champion, now ranked as the No. 1 challenger, meets Chico Vejar, unranked, middleweight from Stamford, Conn., in a nationally televised ABC-10 rounder at the West Jordan Coliseum.  
Gene's youngest brother Don, 18, who won his first professional bout this summer, will fight a preliminary. He's a middleweight, and Gene's 20-year-old brother Jay, a welter, with a 5-0 record, will fight after the main event.  
The colleen at ringside will be Gene's sister, Colleen. And if the TV cameras happen to catch her, the viewers will get a demonstration of shadow boxing which will eclipse anything going on in the ring.  
Colleen is Mrs. Greg Tyson Jr., a pretty 23-year-old mother of three. She can't sit still while her brothers, especially the younger ones, are fighting.

## Busso and Dupas Meet in Miami Beach Tonight

Miami Beach, Fla. (AP)—A whirlwind fight flavored with incentive is expected tonight when lightweight Johnny Busso of New York and Ralph Dupas of New Orleans meet in a 10-rounder in the Auditorium Arena.  
Busso, ranked 10th among the lightweights and fresh from an upset victory over Larry Boardman, said with confidence that "I think I can stop anybody I hit right, including Dupas."  
The fight will be scored on a 10-point merit system, with the winner of each round getting 10 points and the loser nine points or less.  
The main event starts at 9 p. m. EST, and will be televised coast to coast by NBC.

## Speaking of Sports ...

Jamestown Sun: Fate in the form of a little, white, bouncing ball set the pattern for area golfers and dealt the kickoff blow in the all-out annual war of golfers vs. polo which opened officially at the Maplehurst Country Club Thursday. The opener of a succession of local tournaments wherein area golfers contribute to the local polo fund for the opportunity to best Moon Brook celebrated pro Toby Lyons over an 18-hole route, unofficially began Wednesday when Lyons shot his target round over MB greens. The starting gun actually began Thursday at a kickoff meeting at Maplehurst followed by the opening tournament. The "goat" of the two-day drama was Toby himself, but considering the outcome, it is doubtful if the MB pro objects at all. The sun may have smiled on Lyons during his target round, Wednesday, but the Gods of Fortune didn't, and the affable pro who constantly hits them towards the bucket, had putter troubles. When the final count was made, area swingers will need a 72 to tie Toby and a 71 to beat him, and that score should tempt a large crowd.

Jamestown Sun: Labor Day, a holiday for most, will however be just what it means for some 80 hopeful candidates for the Jamestown High School Red Raider football squad of Coach Walt Colburn. The approximate 80 turnout at Thursday's equipment release and medical checkup, new faces and old hands, will all pass before the calculating eye of the veteran Raider mentor as they open practice at 9:30 a. m. Monday morning in the official practice of the gridiron season. Eager to make use of all available time before the season opener, Colburn has second workout for 2:30 p. m. Monday. Both will be at the Harrison street field.

## Jones Take Valones 15-9 As Scheduled Softball Games End

Jones Chevrolet pounded Valone Brothers Atlantic 15-9 on West Side diamond last night to round out the final regularly scheduled game in City Softball League competition.  
Now only two postponed games remain, but they can be decisive in league standings. Next Tuesday night Culligans, which have a record of 3 and 2, play Jones Chevrolet on West Side and on Thursday Culligans opposes Lacy at the West Side. (Rain Tuesday could postpone both games a day).  
If Culligans win both games, they will tie for second half honors with Texas at 10 wins, 2 losses. This could mean a playoff and if Culligans win, then another 3 out of 5 series will be played with first half winner Texas to determine the league winner.  
However, in the event Texas retains its second half crown to take an undisputed league championship, there will be a further round robin tournament series involving all seven league teams for a second trophy.

## Robinson Winner in 9-Day Battle Over Theatre - Television

New York (AP)—"Now I've got to concentrate on beating Carmen Basilio," said middleweight champion Sugar Ray Robinson today after scoring a decisive victory in his nine-day battle over theater-television.  
The crafty, veteran fighter said his winning holdout for a money guarantee for the closed circuit telecast "has been a great strain on me. I've lost weight and I've had to take sleeping pills. Now I've got to build up my strength. I don't want to disappoint Carmen on Sept. 23."  
As the Harlem dandy returned to his Greenwood Lake, N. Y., training camp he found himself an 8-5 underdog to the welterweight king from Chittenango, N. Y., Basilio, who has maintained all along that Robinson will fight "because he won't pass up this kind of dough," has been training steadily at Alexandria, N. Y.  
Robinson won decisively over both the International Boxing Club and Theater Network Television, Inc., at Thursday's five-hour meeting at the State Athletic Commission offices.  
He agreed again to defend his crown against Basilio at Yankee Stadium, Sept. 23, after TNT President Nat Halpern met Robinson's terms on theater-TV and the IBC spelled out the details for radio and movies.

## Archery Medal Shoot Tournament This Sunday

Shenango Valley Archery Club of Sharon will sponsor a medal shoot this Sunday, September 1st, starting at 1:45 p. m. on the grounds at Western Reserve, Clarksville, Pa.  
Awards and competition will be in accordance to N. F. A. A. rules. This will be the final medal round shoot of the season to be sponsored by the S. V. A. C. The state champion field archery shoot will be sponsored by the S. V. A. C. on September 7th and September 8th. The medal shoot this Sunday will give the archers an opportunity to familiarize themselves with the course's terrain. This will be the last opportunity to shoot on the S. V. A. C. course as the course will be closed to all archers until the state shoot.  
Refreshments and facilities will be available.

## BALTIMORE TUNNEL

Baltimore (AP)—An unidentified workman is the first man to cross from one end to the other in the 130-million-dollar Baltimore Harbor Tunnel. For the breakthrough yesterday, Gov. Theodore McKeldin stood on one side of the final barrier and Chairman Robert O. Bonnell of the State Roads Commission waited on the other side. The governor wielded a torch, with some expert help, and when a panel was cut a grinning, helmeted workman stepped through the opening—just before Bonnell. No one even got his name.
